Why organize your Student Travel Trips with Greenway Nature Tours?

Greenway Nature Tours is a certified Travel Agency with 20 years in the market. Our tours are unique and designed by our agency to guarantee a 100% satisfaction. Greenway Tours offer tours for teachers, Schools, High Schools, Universities or Travel Agencies. We can be your best partner in Costa Rica for many reasons such as:

Experts with first-hand knowledge

When you book a trip with Greenway Tours, you have access to people who have been where you are going. You may deal directly with people who are able to answer your questions. We have professional staff & tour guides with excellent language skills and certifications.

Price

Greenway Tours prices are much less than the prices offered by big companies. Besides this, when you book with us you are supporting a 100% Costa Rican company and your money will support many local families and communities. This is a very important principle of ecotourism and responsible travelers.

Excellent reviews in TripAdvisor and International representation

Greenway Nature Tours has been rated by many travelers as an excellent company, with professional tours guides and services in general. Thanks to this and within 20 years in the travel industry, Greenway Nature Tours has been chosen by many international companies as the local tour operator for attend their customers. Multiple Travel agencies offering Costa Rica recognize the expertise of our company and put in our hands the students for their groups. The world's largest tour companies specialized in offering student travel worldwide are closely working with Greenway Tours. This is because our high-quality standards in terms of service, responsibility, price and customer's service.

No Hidden Fees

During our tours, clients are not requested to pay additional fees or costs. You pay for what is included in the confirmation form.

Certifications & Memberships

Greenway Nature Tours is an Official Travel Agency certified by the Costa Rican Tourist Board (ICT) and with a Special certification in Sustainable Travel (CST). This is the highest certification given by the Costa Rican Government to the best travel agencies in CR. Besides this we are members of **SYTA (Student Youth Travel Association)**.

Insurance

Greenway Tours is a full insured company. All our buses have a special insurance in case of accidents, and we have a Liability Insurance in case of any special situation. Besides this, we only work with supplier that have their own insurance.

Private Group Experience

All our tours and services are private and exclusive for your group- Guaranteed.

Genuine Travel Experiences

Greenway Tours takes you off the beaten path on carefully crafted itineraries that are unique and thoughtfully planned. We do not support conveyor-belt tourism, where groups are pushed through a rigid itinerary.

Sustainable Responsible Travel

We support several development projects in Costa Rica, and we make sure you have close contact with local people. During your tour with us, you have an educational and ecological experience. We DO NOT visit venues that do not respect the wildlife or lack of environmental policies. We NEVER stop to people on the road with wildlife species in captivity or tied with chains for the passenger's show and get a dollar.

Transportation Service

Greenway Tours offer Deluxe transportation services in all of our tours. Recent vehicles with AC, Mic and cooler (Guarantee). Small, medium and large buses available for your comfort.

Best Venues & Tours

Greenway Tours has selected the best tours and venues at each place to guarantee a great experience during the tour with us.

Customized Itineraries

We offer the option to prepare a customized itinerary accordingly to your main educational objective and budget. Please feel free to contact us with your ideas.

*Just relax...
we take care
and work for you*
